BROKEN ARROW NURSERY

Quantities, prices, and availability are subject to change; please call or email ahead for updated details at 203-288-1026 or sales@brokenarrownursery.com. We have extensive Kalmia offerings that may not be reflected here, so please inquire for specific availabilities.

We open for the season on April 1st, 2025, and our hours are 10 AM-5 PM seven days a week with the exception of federal holidays. We close for the season at the end of the day October 31st. Visits after that time are by appointment only.

Reserving Material: Reserved plant material must be paid for in full and can be held at the nursery free of charge for up to 2 weeks beyond the purchase date or until the nursery closes for the season, whichever comes first. Material held for longer than 2 weeks will be assessed a 10% holding and handling fee for each additional week the plants are held for a maximum of 6 weeks. No material will be held for any reason for greater than 8 weeks or past the close of the nursery season.

Delivery: While we prefer customers pick up plants, we understand this is not always possible. Deliveries are quoted at a minimum of \$120/hour for one truck and one person. Charges include travel to the site, unloading of plant material, and return to the nursery; Broken Arrow Nursery does not install. Please note, large orders or heavy material may require additional personnel or vehicles and are subject to additional charges. We may also be able to refer you to other delivery and/or installation services if needed.

Guarantee: We guarantee that all plants sold by Broken Arrow Nursery are healthy and true to name when they leave the nursery. If such is not the case, we will replace the plant in question or issue a nursery credit for the purchase price of the plant.

We are not responsible for losses caused by:

- Neglect to appropriately water, feed, prepare the soil, or site your plant, including overwintering in containers.
- Death or damage from hungry critters.
- Extreme and unusual weather conditions or inappropriate climate zone.

We have an excellent reputation and have every intention of maintaining it!
